GENERAL INSTRUCTIONS FOR VIDEO-PRESENTATIONS

Authors can present their video-presentation in one of the official languages of the Congress: English, or French. However, authors are encouraged to prepare their slides in English to assist Congress Participants in understanding the oral presentations.

Oral presentations will last approximately 15 minutes.

In order to guarantee uniformity in video-presentations, it is recommended to use the PowerPoint template of the conference (Consult the congress website).

The video has to be sent in mp4 format.

It will be necessary to send:

- Video-presentation agreement (attached document). Mandatory document for viewing the video.
- Video (in mp4 format).

The requested information has to be sent to geome.congress4@gmail.com before June 20, 2023.
